- Free of gluten, corn, soy, yeast, wheat, lactose, fish, eggs or preservatives.

This is authentic Tonalin CLA, patented by Natural, Inc. and manufactured by Cognis. This is not cheap imported CLA like many online retailers sell. Tonalin CLA is the purest, contaminant FREE CLA in the world and contains 82% CLA, which is up to 35% higher than other brands. Tonalin CLA is a safe and effective weight loss aid containing no harmful stimulants. Studies show that it may increase lean muscle and reduce the amount of fat stored in body.

An extract of a citrus fruit (*C. aurantium*) containing a family of indirect-acting adrenergic amines (B-sympathomimetics) that facilitate utilization of energy substrates, stimulate metabolic processes, favor uptake of amino acids into muscle, increase lipolysis (breakdown of fat) and can exert mild hunger-suppressant effects.

Advantra Z<sup>®</sup> is the only patented thermogenic ingredient for weight loss and physical performance on the market today and is patented for the following uses:

- stimulating thermogenesis
- reducing weight
- increasing lean muscle mass
- improving athletic performance
- suppressing appetite
